

Wood veneer information

HØLTE

Wood veneer is a beautiful, natural product that specified well can make a great statement in your kitchen.

Veneering is an art form requiring specialist knowledge and a high level of skill – our veneering team are extremely experienced and we are very proud of the quality of our veneered products.

There are a few important decisions to make when choosing veneer:

Veneer cut
& grain direction

QUARTER
CUT

CROWN
CUT

GRAIN RUNNING
HORIZONTALLY

GRAIN RUNNING
VERTICALLY

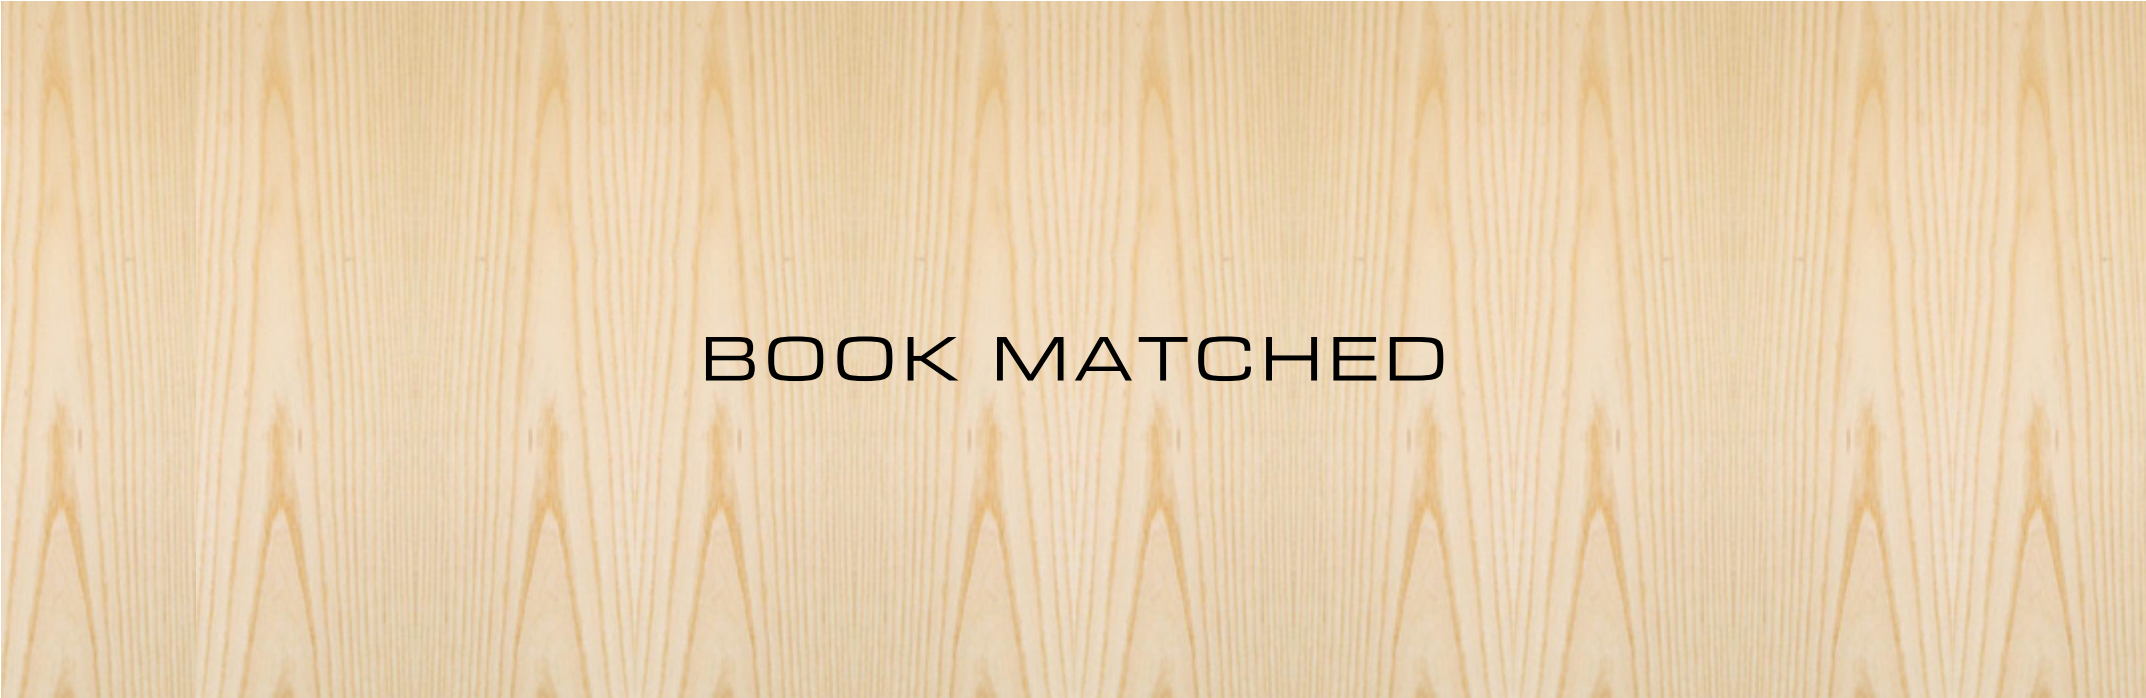

Veneer
matching types

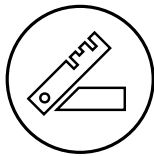

SLIP MATCHED

REVERSE SLIP
MATCHED

BOOK MATCHED
